

INSTRUCTIONAL EQUIPMENT LIST Department: Biology Spring '18 by J

Instructions: Each Department/Program must provide an instructional equipment list each year. A Division priority list should be developed by working within your **Items you do not have to list:** 1) computer and furniture requests that are already on a college refresh schedule or items that already exist in classrooms, offices, or "B" budget.

Items that should be listed: All instructional equipment items with a value of \$100 or more *per individual item* that are not listed above.

Note: The items should provide programmatic support for student learning and *must be included as a part of the APRU (except in the case of an emergency repair).*

This list should be sent to your Dean when you submit your APRU.
