**Subject:** Promise Grant Students – Fall 2018

---

This report provides demographic information, success rates, and retention rates on first-time students who received the Promise Grant (PG) during fall 2018. Success grades include A, B, C, and P; non-success grades includes D, F, I, and NP grades; and withdraw includes W grades. The retention rate for each quarter is calculated by the percentage of students who do not withdraw from class and who receive a valid grade.

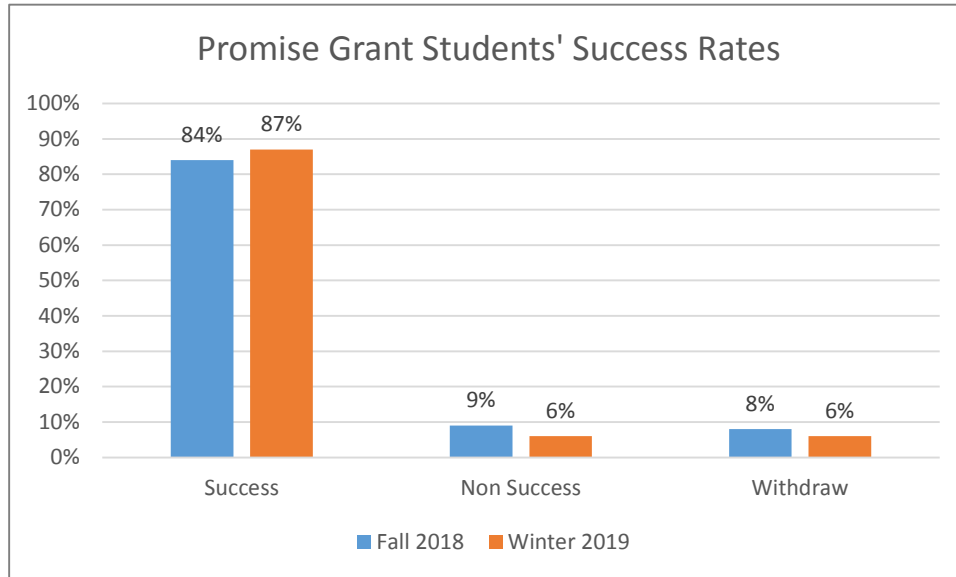

## Demographic Information

- 58% (102) of PG recipients were female and 42% (73) were male.
- 46% (80) of PG recipients identified as Asian, followed by 33% (58) Latinx, 9% (16) Filipinx, 9% (16) white, and 3% (5) African American.
- 46% (80) of PG recipients were first-generation students.
- 95% (166) of PG recipients were fully matriculated.
- 14% (25) of PG recipients participated in a special program such as EOPS, DSPS, or Foster Youth.
